Please read the information below to learn the following regarding your use of this site.

1. Types of Information Collected

In order to better provide you with our numerous services, we collect two types of information about our users: Personally Identifiable Information and Non-Personally Identifiable Information. Our primary goal in collecting information from you is to provide you with a smooth, efficient, and customized experience while using our site.

The Service is not directed to individuals under the age of 13. In the event that Creme Lure discovers that a child under the age of 13 has provided personally identifiable information to us, we will make efforts to delete the child's information if required by the Children's Online Privacy Protection Act. Please see the Federal Trade Commission's website for (www.ftc.gov) for more information.

Notwithstanding the foregoing, pursuant to 47 U.S.C. Section 230 (d), as amended, we hereby notify you that parental control protections are commercially available to assist you in limiting access to material that is harmful to minors. More information on the availability of such software can be found through publicly available sources. You may wish to contact your internet service provider for more information.

Personally Identifiable Information: This refers to information that lets us know the specifics of who you are. When you engage in certain activities on this site, such as registering for a membership, ordering a product or service, submitting content and/or posting content in discussion forums or other public areas, entering a contest or sweepstakes, filling out a survey, or sending us feedback, we may ask you to provide certain information about yourself by filling out and submitting an online form. It is completely optional for you to elect to engage in these activities; however, we may ask that you provide us personal information, such as your first and last name, mailing address (including zip code), E-mail address, telephone and facsimile numbers. When ordering products or services on the site, you may be asked to provide a credit card number, however, no credit card information is stored by Creme Lure, or our site. Depending upon the activity, some of the information we ask you to provide is identified as mandatory and some as voluntary. If you do not provide the mandatory data with respect to a particular activity, you will not be able to engage in that activity.

Non-Personally Identifiable Information: This refers to information that does not by itself identify a specific individual. We gather certain information about you based upon where you visit on our site in several ways. This information is compiled and analyzed on both a personal and an aggregated basis. This information may include the Web site's Uniform Resource Locator ("URL") that you just came from, which URL you next go to, what browser you are using, and your Internet Protocol ("IP") address. A URL is the global address of documents and other resources on the World Wide Web. An IP address is an identifier for a computer or device on a Transmission Control Protocol/Internet Protocol ("TCP/IP") network, such as the World Wide Web. Networks like the Web use the TCP/IP protocol to route information based on the IP address of the destination. In other words, an IP address is a number that is automatically assigned to your computer whenever you are surfing the web, allowing web servers to locate and identify your computer. Computers require IP addresses in order for users to communicate on the Internet.

2. Collection Methods and Use of Information

We do not collect any Personally Identifiable Information about you unless you voluntarily provide it to us. You provide certain Personally Identifiable Information to us when you (a) register for our services and register your E-mail address with us; (b) enter sweepstakes or contests sponsored by us or one of our partners; (c) sign up for special offers from selected third parties; (d) send E-mail messages, submit forms or transmit other information by telephone or letter; or (e) submit your credit card or other payment information when ordering and purchasing products and services on our site. We may also collect information from you at other points on our site that state that such information is being collected.

In addition, we may also collect, or our third party ad server and/or content server may collect, certain Non-Personally Identifiable Information. This information is ultimately stored in the form of store categories, and, in some cases, specific URLs. We use your IP address to diagnose problems with our servers, software, to administer our site and to gather demographic information. Our third party ad servers will also provide us with summary, but not individual, reports that will tell us how many ads were presented and clicked upon at our site.

We will primarily use your Personally Identifiable Information to provide our services to you, as required by our agreements with you. We will also use Personally Identifiable Information to enhance the operation of our site, fill orders, improve our marketing and promotional efforts, statistically analyze site use, improve our product and service offerings, and customize our site's content, layout, and services. We may use Personally Identifiable Information to deliver information to you and to contact you regarding administrative notices. We may also use Personally Identifiable Information to resolve disputes, troubleshoot problems, and enforce our agreements with you, including our Site Terms of Use, and this Privacy Policy.

3. Release of Information

We do not sell, trade, or rent your Personally Identifiable Information to others. We do provide some of our services through contractual arrangements with affiliates, services providers, partners, and other third parties. We and our service partners use your Personally Identifiable Information to operate our sites and to deliver our services. For example, we must release your credit card information to the card-issuing bank to confirm payment for products and services purchased on this site; release your address information to the delivery service to deliver products that you ordered; and provide order information to third parties that help us provide customer service.

We will encourage our service partners to adopt and post privacy policies. However, the use of your Personally Identifiable Information by our service partners is governed by the privacy policies of those service partners, and is not subject to our control.

Occasionally we may be required by law enforcement or judicial authorities to provide Personally Identifiable Information to the appropriate governmental authorities. We will disclose Personally Identifiable Information upon receipt of a court order, subpoena, or to cooperate with a law enforcement investigation. We fully cooperate with law enforcement agencies in identifying those who use our services for illegal activities. We reserve the right to report to law enforcement agencies any activities that we in good faith believe to be unlawful.

We may also provide Non-Personally Identifiable Information about our customers' sales, traffic patterns, and related site information to third party advertisers, but these statistics do not include any Personally Identifiable Information.
